About us

About Us?

At pharmix, our mission is to make healthcare more accessible, personalized, and convenient. We believe that managing your health should be simple and stress-free, whether you're getting medication delivered, consulting with healthcare experts, or tracking your well-being through our platform.

We've combined cutting-edge technology with a compassionate approach to provide a seamless healthcare experience, all from the comfort of your home. From personalized health plans and medication delivery to expert consultations and access to nearby clinics, our app is designed to meet your medical needs at every stage.

Our Vision

We aim to revolutionize healthcare by offering comprehensive services in one place. Our vision is to empower individuals to take control of their health through easy access to trusted medical support and resources.

Our Services

- Medication Delivery: Access a wide range of pharmaceutical products and have them delivered directly to your door from the nearest pharmacy.
- Health Surveys: Participate in personalized health surveys to track your progress and receive tailored support.
- Expert Consultations: Get professional advice on medications, supplements, and health management from experienced healthcare providers.
- Medical Services: From routine check-ups to specialized care like nursing services, we offer a wide array of medical support.
- Nearby Clinics: Find and visit local clinics with ease, ensuring that you get timely in-person care when needed.
- Rewards Program: Earn points with every purchase and consultation, redeemable for discounts on future services.

Information We Collect

When you use our platform, we may collect the following types of information:

- **Personal Information:** Your name, email address, phone number, medical history, and other information you provide when creating an account.
- **Usage Data:** Information about how you use the platform, including your interactions with features such as health surveys, medication deliveries, and consultations with healthcare experts.
- **Device Information:** Data about the device you use to access the platform, such as IP address, browser type, and operating system.

How We Use Your Information

We use the information we collect to:

- Provide and maintain our healthcare services.
- Personalize your experience on the platform, including tailoring health plans and recommendations.
- Facilitate communication between you and healthcare professionals or pharmacies.
- Improve our platform based on user feedback and usage patterns.
- Send you updates, health tips, and other relevant information that may interest you.

How We Share Your Information

We do not sell or rent your personal information to third parties. However, we may share your information with:

- **Healthcare Professionals:** With your consent, we may share your health profile and information with doctors or pharmacies to provide you with the best care.
- **Service Providers:** Third parties who assist us in operating and improving our platform, such as hosting providers and analytics services.
- **Legal Requirements:** If required by law or to protect our rights, we may disclose your information to the relevant authorities.

Data Security

We take your privacy seriously and use various security measures to protect your personal information. However, no method of transmission over the internet or electronic storage is completely secure, so we cannot guarantee absolute security.

Your Rights

You have the right to:

- Access, correct, or delete your personal information.
- Object to or restrict the processing of your data.
- Withdraw your consent for us to use your data where consent was previously given.
- Request a copy of the data we hold about you.

Changes to This Policy

We may update this privacy policy from time to time. Any changes will be posted on this page, and we will notify you of any significant updates. Your continued use of the platform after changes are posted will constitute your acceptance of the new policy.
